

SWEET-TOOTH TREASURES

“An incredibly knowledgeable staff maintains a chocolate database that can search by preferred flavors and cross-reference among hundreds of gourmet bars (shelved by country of origin). The experience will forever spoil you for high-quality cacao and stellar service—luckily such devotion extends to a selection of more than 700 periodicals, though it’s hard to remember this is a newsstand when you’re tongue-deep in sweet bliss.”

Where SF. June, 2007. p24.
